INTERNATIONAL EDITION

CURRENT

Diagnosis & Treatment

ORTHOPEDICS

fourth edition

HARRY B. SKINNER

LANCET

Contents

| | |
|---|--|
| Authors | vii |
| Preface | ix |
| 1. Basic Science in Orthopedic Surgery | 1 |
| <i>Ranjan Gupta, MD, Vincent J. Caiozzo, PhD, & Harry B. Skinner, MD, PhD</i> | |
| Biomechanics & Biomaterials 1 | Tissue Response to Implant Materials 48 |
| Basic Concepts & Definitions 1 | Gait Analysis 52 |
| Biomechanics in Orthopedics 4 | Gait Cycles, Phases, & Events 52 |
| Biologic Tissues in Orthopedics 5 | Gait Measurements 54 |
| Implant Materials in Orthopedics 31 | Role of Gait Analysis in the Management of Gait Disorders 59 |
| Growth Factors 40 | |
| Implant Design & Biologic Attachment Properties 42 | |
| 2. General Considerations in Orthopedic Surgery | 64 |
| <i>Harry B. Skinner, MD, PhD</i> | |
| Diagnostic Work-Up 64 | Postoperative Care 73 |
| Surgical Management 69 | |
| 3. Musculoskeletal Trauma Surgery | 81 |
| <i>Wade R. Smith, MD, Juan F. Agudelo, MD, Anand A. Parekh, MRCs (Eng), & John R. Shank, MD</i> | |
| The Healing Process 82 | II. Trauma to the Lower Extremity 125 |
| Orthopedic Assessment & Management of Polytrauma Patients 84 | Foot & Ankle Injuries 125 |
| Immediate Management of Musculoskeletal Trauma 87 | Fractures Common to All Parts of the Foot 125 |
| Failure of Fracture Healing 94 | Forefoot Fractures & Dislocations 126 |
| Principles of Operative Fracture Fixation 99 | Midfoot Fractures & Dislocations 128 |
| I. Trauma to the Upper Extremity 102 | Hindfoot Fractures & Dislocations 129 |
| Fractures & Dislocations of the Distal and Mid-Forearm 102 | Ankle Fractures & Dislocations 134 |
| Distal Radius & Ulna Injuries 104 | Tibia & Fibula Injuries 137 |
| Dislocation of the Radiocarpal Joint 110 | Injuries Around the Knee 141 |
| Forearm Shaft Fractures 111 | Ligamentous Injuries 142 |
| Injuries Around the Elbow 112 | Proximal Tibia Fractures 145 |
| Distal Humerus Fractures 113 | Distal Femur Fractures 147 |
| Olecranon Fractures 114 | Patellar Injuries 148 |
| Fracture of the Radial Head 115 | Femoral Shaft Fractures 149 |
| Elbow Dislocation 117 | Diaphyseal Fracture 149 |
| Shoulder & Arm Injuries 118 | Subtrochanteric Fractures 150 |
| Humeral Shaft Fracture 120 | Hip Fractures & Dislocations 152 |
| Fractures & Dislocations Around the Shoulder 121 | Pelvic Fractures & Dislocations 157 |
| 4. Sports Medicine | 163 |
| <i>Patrick J. McMahon, MD, & Lee D. Kaplan, MD</i> | |
| Knee Injuries 163 | Slap Lesions 207 |
| Meniscus Injury 170 | Shoulder Stiffness 208 |
| Knee Fracture 174 | Fractures about the Shoulder 210 |
| Knee Ligament Injury 176 | Clavicular Fracture 210 |
| Knee Tendon Injury 186 | Proximal Humerus Fracture 211 |
| Knee Pain 186 | Proximal Humeral Epiphyseal Fracture 211 |
| Ankle or Foot Pain 189 | Acromioclavicular Joint Injury 212 |
| Other Injuries of the Lower Body 189 | Sternoclavicular Joint Injury 213 |
| Overuse Syndromes of the Lower Extremities 189 | Shoulder Neurovascular Injury 214 |
| Contusions & Avulsions of the Lower Body 191 | Thoracic Outlet Syndrome 215 |
| Contusions about the Hip and Pelvis 191 | Elbow Injuries 215 |
| Avulsion of the Tibial Tubercle 192 | Epicondylitis (Tennis Elbow) 215 |
| Avulsions about the Pelvis 193 | Elbow Instability 216 |
| Shoulder Injuries 193 | Other Elbow Overuse Injuries 217 |
| Shoulder Tendon & Muscle Injury 199 | Spine Injuries 219 |
| Biceps Tendon Injuries 202 | Cervical Spine Injury 219 |
| Pectoralis Major Rupture 203 | Lumbar Spine Injury 220 |
| Glenohumeral Joint Instability 203 | |
| Glenoid Labrum Injury 207 | |

| | |
|---|------------|
| 5. Disorders, Diseases, & Injuries of the Spine | 221 |
| <i>Serena S. Hu, MD, Clifford B. Tribus, MD, Bobby K-B Tay, MD, & Nitin N. Bhatia, MD</i> | |
| Osteomyelitis of the Spine | 221 |
| Tumors of the Spine | 223 |
| Primary Tumors of the Spine | 223 |
| Metastatic Disease of the Spine | 228 |
| Extradural Tumors | 229 |
| Inflammatory Diseases of the Spine | 229 |
| Rheumatoid Arthritis | 229 |
| Ankylosing Spondylitis | 231 |
| Diseases & Disorders of the Cervical Spine | 233 |
| Congenital Malformations | 234 |
| Cervical Spondylosis | 238 |
| Ossification of the Posterior Longitudinal Ligament | 243 |
| Diseases & Disorders of the Lumbar Spine | 244 |
| Low Back Pain | 244 |
| Lumbar Disk Herniation | 246 |
| Facet Syndrome | 249 |
| Stenosis of the Lumbar Spine | 249 |
| Osteoporosis and Vertebral Compression Fractures | 252 |
| Deformities of the Spine | 255 |
| Scoliosis | 255 |
| Kyphosis | 269 |
| Myelodysplasia | 270 |
| Spondylolisthesis & Spondylolysis | 271 |
| Injuries of the Cervical Spine | 277 |
| Injuries of the Upper Cervical Spine | 286 |
| Injuries of the Lower Cervical Spine | 291 |
| 6. Musculoskeletal Oncology | 298 |
| <i>R. Lor Randall, MD, & Bang H. Hoang, MD</i> | |
| Etiology of Musculoskeletal Tumors | 298 |
| Evaluation & Staging of Tumors | 299 |
| Diagnosis & Treatment of Tumors | 311 |
| Benign Bone Tumors | 311 |
| Malignant Bone Tumors | 324 |
| Benign Soft-Tissue Tumors | 346 |
| Malignant Soft-Tissue Tumors | 353 |
| Miscellaneous Soft-Tissue Sarcomas | 359 |
| Management of Carcinoma Metastasized to Bone | 360 |
| Differential Diagnosis of Pseudotumorous Conditions | 368 |
| 7. Adult Reconstructive Surgery | 381 |
| <i>Robert S. Namba, MD, Harry B. Skinner, MD, PhD, & Ranjan Gupta, MD</i> | |
| Arthritis & Related Conditions | 381 |
| Medical Management | 392 |
| Other Therapies | 395 |
| Surgical Management | 396 |
| Procedures for Joint Preservation | 396 |
| Joint Salvage Procedures | 401 |
| Joint Replacement Procedures | 404 |
| 8. Orthopedic Infections | 424 |
| <i>Scott C. Wilson, MD, & Harry B. Skinner, MD, PhD</i> | |
| Overview | 424 |
| Osteomyelitis | 437 |
| Acute Osteomyelitis | 439 |
| Subacute Osteomyelitis | 442 |
| Chronic Osteomyelitis | 442 |
| Osteomyelitis Caused by Open Fractures | 444 |
| Squamous Cell Carcinoma Arising from a Chronic Osteomyelitis | 447 |
| Septic Arthritis | 448 |
| Acute Septic Arthritis | 448 |
| Chronic Septic Arthritis | 450 |
| Septic Arthritis Caused by Adjacent Infection | 452 |
| Soft-Tissue Infections | 453 |
| Cellulitis | 453 |
| Pyomyositis | 455 |
| Bursitis | 455 |
| Necrotizing Fasciitis | 456 |
| 9. Foot & Ankle Surgery | 460 |
| <i>Jeffrey A. Mann, MD, Loretta B. Chou, MD, & Steven D. K. Ross, MD</i> | |
| Biomechanic Principles of the Foot & Ankle | 460 |
| Deformities of the First Toe | 465 |
| Deformities of the Lesser Toes | 475 |
| Regional Anesthesia for Foot & Ankle Disorders | 480 |
| Metatarsalgia | 481 |
| Keratotic Disorders of the Plantar Skin | 484 |
| Diabetic Foot | 486 |
| Disorders of the Toenails | 495 |
| Neurologic Disorders of the Foot | 497 |
| Rheumatoid Foot | 501 |
| Heel Pain | 502 |
| Arthrodesis about the Foot & Ankle | 504 |
| Congenital Flatfoot | 511 |
| Acquired Flatfoot Deformity | 514 |
| Cavus Foot | 516 |
| Orthotic Devices for the Foot & Ankle | 519 |
| Ligamentous Injuries about the Ankle Joint | 521 |
| Arthroscopic Examination of the Foot & Ankle | 524 |
| Tendon Injuries | 527 |
| Achilles Tendon Injuries | 527 |
| Posterior Tibial Tendon Injuries | 529 |
| Peroneal Tendon Injuries | 529 |
| Anterior Tibial Tendon Rupture | 533 |
| Osteochondral Lesions of the Talus | 533 |

| | |
|---|------------|
| 10. Hand Surgery | 535 |
| <i>Michael S. Bednar, MD, & Terry R. Light, MD</i> | |
| Diagnosis of Disorders of the Hand | 535 |
| Special Treatment Procedures for Hand Disorders | 539 |
| Disorders of the Musculature of the Hand | 543 |
| Disruption of Extensor Muscle Insertions | 546 |
| Intrinsic Plus & Intrinsic Minus Positions | 548 |
| Intrinsic Muscle Tightness | 549 |
| Swan-Neck Deformity | 550 |
| Disorders of the Tendons of the Hand | 550 |
| Flexor Tendon Injury | 550 |
| Tenosynovitis | 555 |
| Vascular Disorders of the Hand | 557 |
| Arterial Occlusion | 557 |
| Vasospastic Conditions | 558 |
| Disorders of the Nerves of the Hand | 559 |
| Peripheral Nerve Injury | 559 |
| Compressive Neuropathies | 560 |
| Disorders of the Fascia of the Hand | 567 |
| Dupuytren Disease | 567 |
| Compartment Syndromes | 568 |
| Fractures & Dislocations of the Hand | 570 |
| Fractures & Dislocations of the Metacarpals & Phalanges | 570 |
| Wrist Injuries | 576 |
| Fingertip Injuries | 581 |
| Soft-Tissue Injuries | 581 |
| Nail Bed Injuries | 582 |
| Thermal Injury | 583 |
| Acute Burn Injury | 583 |
| Electrical Burns | 584 |
| Chemical Burns | 584 |
| Cold Injury (Frostbite) | 585 |
| High-Pressure Injection Injury | 586 |
| Infections of the Hand | 586 |
| Arthritis of the Hand | 589 |
| Osteoarthritis | 589 |
| Rheumatoid Arthritis | 590 |
| Hand Tumors | 594 |
| Congenital Differences | 595 |
| 11. Pediatric Orthopedic Surgery | 597 |
| <i>George T. Rab, MD</i> | |
| Growth Disorders | 597 |
| Infectious Processes | 599 |
| Metabolic Disorders | 602 |
| Hip Disorders | 602 |
| Foot Disorders | 613 |
| Torsional & Angular Deformities of the | |
| Knee & Leg | 618 |
| Knee Disorders | 622 |
| Osgood-Schlatter Disease | 625 |
| Spinal Curvature | 625 |
| Neuromuscular Disorders | 630 |
| Tumors | 634 |
| Amputations | 635 |
| Fractures | 635 |
| Injuries Related to Child Abuse | 644 |
| 12. Amputations | 645 |
| <i>Douglas G. Smith, MD</i> | |
| Special Considerations in the Treatment of Pediatric | |
| Patients | 645 |
| General Principles of Amputation | 647 |
| Types of Amputation | 656 |
| Upper Extremity Amputations & Disarticulations | 656 |
| Lower Extremity Amputations & Disarticulations | 660 |
| 13. Rehabilitation | 671 |
| <i>Mary Ann E. Keenan, MD, & Samir Mehta, MD</i> | |
| General Principles of Rehabilitation | 671 |
| Spinal Cord Injury | 681 |
| Stroke | 688 |
| Geriatric Orthopedics | 696 |
| Brain Injury | 700 |
| Heterotopic Ossification | 705 |
| Rheumatoid Arthritis | 706 |
| Poliomyelitis | 714 |
| Cerebral Palsy (Static Encephalopathy) | 717 |
| Neuromuscular Disorders | 720 |
| Parkinson Disease | 724 |
| Burns | 725 |
| Index | 729 |
