# TECHNIQUES IN WRIST AND HAND ARTHROSCOPY

DAVID SLUTSKY  
DANIEL NAGLE

CHURCHILL  
LIVINGSTONE  
ELSEVIER

## **I. Portals 1**

1. Wrist Arthroscopy Portals 2  
*David J. Slutsky*
2. Trapeziometacarpal and Scaphotrapezium Ligament Arthroscopy Portals 19  
*David J. Slutsky*

## **II. The Ulnocarpal Joint 27**

3. Arthroscopically Assisted Ulnar Shortening 28  
*Daniel J. Nagle*
4. Arthroscopic Treatment of Radial-Sided TFCC Lesions 32  
*Jennifer Weintraub, A. Lee Osterman, and Jeffrey Yao*
5. Peripheral Tears of the TFCC: Arthroscopic Diagnosis and Management 42  
*Thomas E. Trumble and Seth D. Dodds*
6. Arthroscopy of the Distal Radioulnar Joint 54  
*Ericka A. Lawler and Brian D. Adams*
7. Class IIA and B Ulnar Impaction: Treatment with Arthroscopic TFCC Disc Excision and Wafer Distal Ulna Resection 58  
*Matthew M. Tomaino*

## **III. Carpal Ligament Injury 65**

8. Arthroscopic Treatment of Scapholunate Ligament Tears 66  
*Steven H. Goldberg, Robert E. Carroll, Kongkhet Riansuwan, and Melvin P. Rosenwasser*
9. Arthroscopic RASL 79  
*Michael R. Hausman*
10. Arthroscopic Thermal Shrinkage for Scapholunate Ligament Injuries 86  
*Ferdinando Battistella, Pau Golano, and Ettore Taverna*
11. Arthroscopic Treatment of Lunotriquetral Ligament Injuries 93  
*Gregory J. Hanker*

12. Arthroscopic Plication of Lunotriquetral Ligament Tears 111  
*Jason W. Levine, Felix H. Savoie III, and Michael J. Moskal*

13. Arthroscopic Dorsal Radiocarpal Ligament Repair 117  
*David J. Slutsky*

14. The Role of Arthroscopy in Midcarpal Instability 127  
*David M. Lichtman, Randall W. Culp, Eric S. Wroten, and David J. Slutsky*

15. Capsular Shrinkage in the Treatment of Wrist Instability 135  
*Daniel J. Nagle*

## **IV. Wrist and Carpal Fractures 139**

16. Arthroscopically Assisted Reduction and Percutaneous Fixation of Scaphoid Fractures Using a Simple External Targeting System 140  
*Joseph F. Slade III and Greg Merrell*
17. The Role of Wrist Arthroscopy in Intra-Articular Distal Radius Fracture Management 151  
*William B. Geissler*
18. Correction of Mal-United Intra-Articular Distal Radius Fractures with an Inside-Out Osteotomy Technique 165  
*Francisco del Piñal*

## **V. Arthritis and Degenerative Disorders 171**

19. Arthroscopic Wrist Capsulotomy 172  
*David J. Slutsky*
20. Arthroscopic Synovectomy and Abrasion Chondroplasty of the Wrist 176  
*Kevin D. Plancher and César J. Bruno*
21. Arthroscopic Wrist Ganglionectomy 182  
*Randy R. Bindra*

22. Arthroscopic Treatment of Volar Carpal Ganglion Cysts 188  
*Jeffrey A. Greenberg*
23. Arthroscopically Assisted Treatment of Intraosseous Ganglions of the Lunate 191  
*N. Asbwood and G.I. Bain*
24. Arthroscopic Radial Styloidectomy 197  
*David J. Slutsky*
25. Arthroscopic Resection of Arthrosis of the Proximal Hamate 203  
*Brian J. Harley and Andrew K. Palmer*
26. Arthroscopic Proximal Row Carpectomy 208  
*Randall W. Culp and Eric S. Wroten*
27. Arthroscopy of the Small Joints of the Hand 213  
*Richard A. Berger*

## **VI. Small-Joint Arthroscopy 221**

28. Arthroscopic Treatment of Trapeziometacarpal Disease 222  
*David J. Slutsky*

29. Arthroscopic Debridement for Isolated Scaphotrapeziotrapezoid Arthritis 234  
*N. Asbwood and G.I. Bain*

## **VII. Extra-Articular Procedures 239**

30. Agee Endoscopic Carpal Tunnel Release 240  
*David J. Slutsky*
31. Endoscopic Carpal Tunnel Release: The Chow Dual-Portal Technique 247  
*Daniel J. Nagle*
32. Endoscopic Release of the First Dorsal Extensor Tendon Compartment 253  
*Joseph F. Slade III and Greg Merrell*

## **Index 257**
