<i>Preface</i>	<i>v</i>
<i>Acknowledgments</i>	<i>vii</i>
<i>Contributors</i>	<i>xiii</i>

Part I. Physiology of Male Sexual Dysfunction

Section I: History

1. A History of the Penis: Images, Worship, and Practices	3
<i>Bernard J. de la Cruz, Jeannette Hacker, and Fouad R. Kandeel</i>	

Section II: Anatomy

2. Male Sexual Anatomy	11
<i>Fouad R. Kandeel, Nabil Koussa, and Vivien Koussa</i>	

Section III: Physiology

3. Normal Male Sexual Response Cycle	21
<i>Fouad R. Kandeel and Vivien Koussa</i>	
4. Functional Neuroanatomy of Sexual Arousal	39
<i>Harold Mouras and Serge Stoléru</i>	
5. Neuroendocrine Control of Male Erectile Function	55
<i>K. E. Andersson</i>	
6. Sex Hormones and Male Sexual Behavior	69
<i>Kim Wallen and Franklynn C. Graves</i>	
7. Cardiovascular Response to Sexual Activity in the Male	79
<i>Richard A. Stein and Arshad M. Safi</i>	

Section IV: Psychological and Social Factors

8. Psychological and Social Influences on Male Sexual Function	85
<i>David John Smith, David Barton, and Lynette Joubert</i>	
9. Male Circumcision	95
<i>Edgar J. Schoen</i>	

Part II. Pathophysiology of Male Sexual Dysfunction

Section I: General Aspects

10. Disorders of the Male Sexual Response Cycle	111
<i>Fouad R. Kandeel and Vivien Koussa</i>	
11. Comparing Male and Female Sexual Function and Dysfunction	131
<i>Alessandra Graziottin</i>	

Section II: Psychological Factors

12. Psychological Factors in Male Sexual Dysfunction	147
<i>David L. Rowland and Cynthia S. Osborne</i>	

Section III: Organic Factors

13. Impact of Systemic Disease on Male Sexual Function	155
<i>Peter Y. Liu, Louis J. Gooren, and David J. Handelsman</i>	
14. Sexual Dysfunction in Males with Diabetes	177
<i>Michael H. Cummings and Duncan L. Browne</i>	
15. Neurological Causes of Male Sexual Dysfunction and Neurological Sequelae of Sexual Activity	187
<i>Per Olov Lundberg</i>	

16. **Cancer and Sexual Dysfunction** 201
Raymond A. Costabile

Section IV: Penile Factors

17. **Peyronie's Disease and Trabecular Smooth Muscle Dysfunction** 207
Danielle N. Dienert and Wayne J. G. Hellstrom

18. **Priapism** 215
Ricardo Munarriz and Irwin Goldstein

Section V: Pharmacological and Radiation Effects

19. **Pharmacological Agents Causing Male Sexual Dysfunction** 223
William W. Finger and Mark A. Slagle

20. **Effects of Chemotherapy and Radiotherapy on Male Sexual Function** 235
Ratna Chatterjee

Section VI: Infections

21. **The Effect of Genital Tract Infections and Sexually Transmitted Infections on Male Sexual Function** 241
Daniel Richardson and David Goldmeier

Part III. Investigation of Male Sexual Dysfunction

Section I: General Assessment

22. **Clinical Assessment of the Male Presenting with Sexual Dysfunction** 253
Chakriya D. Anunta and Fouad R. Kandeel

23. **Use of Nocturnal and Daytime Penile Tumescence and Rigidity Monitoring for Evaluation of Male Sexual Dysfunction** 271
Robert J. Dimitriou, Carlos R. Estrada, Laurence A. Levine, and Fouad R. Kandeel

Section II: Specialized Investigations

24. **Evaluation of Psychological Functioning in Men with Sexual Dysfunction** 285
Cynthia S. Osborne and David L. Rowland

25. **Investigation of Vascular and Structural Abnormalities of the Penis** 297
Fouad R. Kandeel, Mark Esensten, and Lionel S. Zuckier

26. **Neurological Investigations of Males with Sexual Dysfunction** 321
Fouad R. Kandeel and Nabil Koussa

Part IV. Treatment of Male Sexual Dysfunction

Section I: Psychological Interventions

27. **Psychological and Behavioral Counseling in the Management of Male Sexual Dysfunction** 347
Claudia Avina, William T. O'Donohue, and Lisa Regev

28. **Couple Therapy for Premature Ejaculation** 351
Emmanuele A. Jannini and Andrea Lenzi

Section II: Pharmacological Interventions

29. **Systemic Drug Therapy for Male Sexual Dysfunction** 363
Fouad R. Kandeel

30. **Local Drug Therapy for Male Sexual Dysfunction** 383
Fouad R. Kandeel

31. **The Use of Complementary or Alternative Medicine in the Treatment of Male Sexual Dysfunction** 397
Mark A. Moyad

Section III: Noninvasive Devices

32. **Nonsurgical Devices in the Treatment of Male Sexual Dysfunction** 409
Fouad R. Kandeel and Nabil Koussa

Section IV: Surgical Interventions

33. Surgical Treatment of Male Sexual Dysfunction 415
Shahram S. Gholami and Tom F. Lue

34. Advances in the Treatment of Peyronie’s Disease 423
Sherif R. Aboseif, Gary W. Chien, Kirk Tamaddon, and Timothy F. Lesser

Section V: Treatment of Sexual Dysfunction in Patients with Special Problems

35. Androgen Treatment of Male Hypogonadism 433
Alvin M. Matsumoto

36. Treatment of Erectile Dysfunction in Men with Heart Disease 453
Graham Jackson

37. Treatment of Sexual Dysfunction in Patients with Prostate Cancer. 463
John J. Mulcahy

**38. Treatment of Sexual Dysfunction in Men with Spinal-Cord Injury
and Other Neurologic Disabling Diseases. 471**
Manoj Monga

39. Treatment of Sexual Dysfunction in Male Cancer Survivors 481
Judith Shell

Section VI: New Advances in Treatment of Erectile Dysfunction

40. Penile Arterial Reconstruction 491
*Gemma Viola Fantini, Abdullah Armagan, Ricardo Munarriz,
and Irwin Goldstein*

41. Advances in Phallic Reconstruction 497
Culley C. Carson and Ash Kshirsagar

**42. Tissue and Molecular Engineering in the Treatment of Male Sexual
Dysfunction 513**
Joerg Wefer, Michael C. Truss, Armin J. Becker and Christian G. Stief

Section VII: Quality of Life Issues

**43. Effect of Sexual Dysfunction and Its Treatment on Quality of Life
of Affected Men. 519**
Marita P. McCabe
