ATLAS OF VASCULAR SURGERY

SECOND EDITION

Contents

I	Aortic Arch and Extracranial Cerebrovascular Procedures	1
1	Carotid Endarterectomy	6
2	Carotid Endarterectomy Using an Intraluminal Shunt	14
3	Kinked Carotid	20
4	Coiled Carotid	24
5	Management of Recurrent Carotid Artery Stenosis	26
6	Fibromuscular Dysplasia of the Internal Carotid Artery	30
7	Subclavian External Carotid Bypass	32
8	External Carotid Endarterectomy	34
9	External Carotid Endarterectomy with a Patch	36
10	Subclavian Artery Revascularization	40
11	Carotid Subclavian Bypass	44
12	Vertebral Revascularization	46
13	Innominate Endarterectomy and Bypass	50
II	Treatment of Aneurysmal Disease	57
1	Open Repair of Abdominal Aortic Aneurysms	60
2	Endovascular Abdominal Aortic Aneurysm Repair	90
3	Ruptured Abdominal Aortic Aneurysms	114
4	Thoracoabdominal Aortic Aneurysms	122
5	Peripheral Aneurysms	134
III	Renal Revascularization	145
1	Left Renal Revascularization	147
2	Right Renal Revascularization	154
3	Hepatorenal and Splenorenal Bypass	158
4	Bench Surgery for Renal Artery Stenosis	164
5	Renal Revascularization in Association with Aortic Procedures	168
IV	Mesenteric Revascularization	171
1	Superior Mesenteric Artery Embolectomy	174
2	Retrograde Celiac and Superior Mesenteric Bypass	178
3	Antegrade Celiac and Superior Mesenteric Bypass	180
4	Transaortic Visceral Artery Endarterectomy	184
5	Superior Mesenteric Artery Endarterectomy	190

V	Peripheral Occlusive Disease	193
1	Aortofemoral Bypass	196
2	Aortofemoral Bypass End-to-Side Proximal Anastomosis	212
3	Axillofemoral Bypass	214
4	Reversed Saphenous Vein Femoropopliteal Bypass	226
5	Femoral Posterior Tibial <i>In Situ</i> Saphenous Vein Bypass	236
6	Femoral Anterior Tibial Bypass	248
7	Femoral Anterior Tibial Bypass	250
8	Femoroperoneal Bypass—Medial Approach	254
9	Femoroperoneal Bypass—Lateral Approach	256
10	Femoral Proximal Popliteal Bypass	258
VI	Reoperative Surgery and Complications	261
1	Aortoduodenal Fistula	263
2	Infected Aortofemoral Bypass Graft	268
3	Femoral Pseudoaneurysm	274
4	Vein Graft Thrombosis	278
5	Revision of Distal Anastomosis	280
6	Replacement of Saphenous Vein Bypass with a Prosthetic Graft	282
	Index	285
