<b>Foreword .....</b>	<b>xi</b>
<i>Peter J. Stern, M.D.</i>	
<b>Preface .....</b>	<b>xiii</b>
<b>Acknowledgments .....</b>	<b>xv</b>
<b>Section I      Overview of Distal Radius Fractures .....</b>	<b>1</b>
Chapter 1      Closed Reduction and Percutaneous Pin Fixation of Distal Radius Fractures .....	2
Chapter 2      Limited-Open Reduction and Percutaneous Pin Fixation with External	
Fixation of Distal Radius Fractures .....	5
Chapter 3      Intra-articular Fractures of the Distal Radius Treated with Dorsal Plate .....	8
Chapter 4      Palmar Fracture/Subluxation of the Distal Radius .....	10
Chapter 5      Open Treatment of a Distal Radius Fracture with a Fixed Angle Palmar Plate .....	12
Chapter 6      Open Treatment of Galeazzi Fractures .....	15
<b>Section II      Distal Radius Malunions and Nonunions .....</b>	<b>19</b>
Chapter 7      Extension Osteotomy for the Malunited Distal Radius .....	20
Chapter 8      Dorsal and Palmar Osteotomy for Malunion of Distal Radius with Iliac Crest Bone Graft .....	23
Chapter 9      Malunion of the Distal Radius with Palmar Translation of the Articular Surface .....	25
Chapter 10      Nonunion of Distal Radius Fractures .....	27
<b>Section III      Distal Ulna Fractures .....</b>	<b>29</b>
Chapter 11      Open Reduction and Internal Fixation of an Ulnar Styloid Fracture .....	30
Chapter 12      Fractures of the Ulnar Head .....	33
Chapter 13      Fractures of the Ulnar Neck .....	35
<b>Section IV      Distal Ulna Nonunions .....</b>	<b>37</b>
Chapter 14      Resect Ulnar Styloid Fracture with Repair of Triangular Fibrocartilage Complex .....	38
Chapter 15      Nonunion of an Ulnar Neck Fracture .....	41

<b>Section V.1</b>	<b>The Distal Radioulnar Joint: Unstable Distal Ulna, Head Intact . . . . .</b>	45
Chapter 16	Open Repair of an Ulnar-Sided Triangular Fibrocartilage Complex Tear . . . . .	46
Chapter 17	Peripheral Tear of the Triangular Fibrocartilage Complex from the Ulna: Arthroscopic Repair . . . . .	49
Chapter 18	Reconstruction of Distal Radioulnar Ligaments . . . . .	53
<b>Section V.2</b>	<b>The Distal Radioulnar Joint: Arthritis . . . . .</b>	55
Chapter 19	Sauve-Kapandji Procedure . . . . .	56
Chapter 20	Hemiresection Arthroplasty of the Distal Ulna . . . . .	58
Chapter 21	Darrach Procedure (Distal Ulna Resection) . . . . .	60
<b>Section V.3</b>	<b>The Distal Radioulnar Joint: Unstable Distal Ulna, Post-Darrach . . . . .</b>	63
Chapter 22	Flexor Carpi Ulnaris Tenodesis Stabilization of the Resected Distal Ulna . . . . .	64
Chapter 23	Extensor Carpi Ulnaris–Flexor Carpi Ulnaris Tenodesis Stabilization of the Resected Distal Ulna . . . . .	67
Chapter 24	Distal Ulna Implant Arthroplasty . . . . .	69
<b>Section V.4</b>	<b>The Distal Radioulnar Joint: Ulnocarpal Abutment . . . . .</b>	73
Chapter 25	Arthroscopic “Wafer” Procedure . . . . .	74
Chapter 26	Open “Wafer” Procedure . . . . .	77
Chapter 27	Ulnar Shaft Shortening Osteotomy . . . . .	79
<b>Section VI.1</b>	<b>The Wrist Joint: Scaphoid Fractures . . . . .</b>	83
Chapter 28	Percutaneous Screw Fixation of Scaphoid Fractures . . . . .	84
Chapter 29	Open Reduction and Internal Fixation of Displaced Scaphoid Fractures via Dorsal Approach . . . . .	87
<b>Section VI.2</b>	<b>The Wrist Joint: Scaphoid Nonunions . . . . .</b>	89
Chapter 30	Open Reduction and Internal Fixation of Scaphoid Nonunion via Palmar Approach with Distal Radial Bone Graft . . . . .	90
Chapter 31	Open Reduction and Internal Fixation of Scaphoid Nonunion with Vascularized Bone Graft . . . . .	93
<b>Section VI.3</b>	<b>The Wrist Joint: Nonunion Hook of Hamate . . . . .</b>	95
Chapter 32	Excision Hook of Hamate for Nonunion . . . . .	96
<b>Section VI.4</b>	<b>The Wrist Joint: Scapholunate Ligament Injuries . . . . .</b>	99
Chapter 33	Arthroscopy and Percutaneous Pin Fixation of Scapholunate Ligament Injuries . . . . .	100
Chapter 34	Open Scapholunate Ligament Repair . . . . .	102
Chapter 35	Scapholunate Reconstruction with Dorsal Capsular Flap (Blatt Procedure) . . . . .	104
Chapter 36	Flexor Carpi Radialis Tendon Stabilization of the Scapholunate Joint (Brunelli Procedure) . . . . .	106
Chapter 37	Bone Graft–Bone Autograft Reconstruction . . . . .	108
Chapter 38	Screw Fixation: Reduction and Association of the Scapholunate (RASL) Procedure . . . . .	110
<b>Section VI.5</b>	<b>The Wrist Joint: Carpal Fracture-Dislocations . . . . .</b>	113
Chapter 39	Open Reduction and Internal Fixation Perilunate Dislocation via Dorsal Approach . . . . .	114
Chapter 40	Open Reduction and Internal Fixation Lunate Dislocation via Combined Dorsal–Palmar Approach . . . . .	116

Chapter 41	Open Reduction and Internal Fixation of Trans-scaphoid Perilunate Fracture Dislocation .....	119
Chapter 42	Open Reduction and Internal Fixation of Scaphocapitate Syndrome .....	122
<b>Section VI.6</b>	<b>The Wrist Joint: Arthritis Due to Scapholunate Advanced Collapse and Scaphoid Nonunion Advanced Collapse .....</b>	<b>125</b>
Chapter 43	Wrist Denervation .....	126
Chapter 44	Radial Styloidectomy .....	128
Chapter 45	Proximal Row Carpectomy with Capsular Resurfacing .....	130
Chapter 46	Scaphoid Excision with Capitolunate Triquetrohamate Arthrodesis .....	133
Chapter 47	Excision Distal Pole of the Scaphoid .....	135
<b>Section VI.7</b>	<b>The Wrist Joint: Scaphotrapeziotrapezoid Arthritis .....</b>	<b>137</b>
Chapter 48	Scaphotrapeziotrapezoid Joint Fusion .....	138
Chapter 49	Scaphotrapeziotrapezoid Joint Arthroplasty .....	141
<b>Section VI.8</b>	<b>The Wrist Joint: Rheumatoid and Post-traumatic Arthritis .....</b>	<b>143</b>
Chapter 50	Arthroscopic Synovectomy .....	144
Chapter 51	Extensor Carpi Radialis Longus to Extensor Carpi Ulnaris Tendon Transfer .....	146
Chapter 52	Radiocarpal Fusion .....	148
Chapter 53	Total Wrist Arthrodesis .....	150
Chapter 54	Total Wrist Arthroplasty .....	153
<b>Section VI.9</b>	<b>The Wrist Joint: Kienböck Disease .....</b>	<b>157</b>
Chapter 55	Radial Shortening .....	158
Chapter 56	Vascularized Bone Grafting for Kienböck Disease .....	161
Chapter 57	Capitate Shortening with Capitohamate Fusion .....	164
Chapter 58	Scaphocapitate Fusion with Lunate Excision .....	167
<b>Section VI.10</b>	<b>The Wrist Joint: The Pediatric Wrist .....</b>	<b>171</b>
Chapter 59	Fractional Lengthening .....	172
Chapter 60	Closing Wedge Osteotomy of Carpus .....	175
Chapter 61	Tendon Transfer for Wrist Extension .....	178
Chapter 62	Madelung's Deformity .....	182
<b>Section VI.11</b>	<b>The Wrist Joint: Ganglions .....</b>	<b>185</b>
Chapter 63	Excision of Dorsal Wrist Ganglion .....	186
Chapter 64	Excision of Palmar Wrist Ganglion .....	188
<b>Section VII.1</b>	<b>The Carpometacarpal Joint: Thumb Carpometacarpal Joint Injuries .....</b>	<b>191</b>
Chapter 65	Ligament Reconstruction .....	192
Chapter 66	Closed Reduction and Internal Fixation of Bennett's or Rolando's Fractures .....	195
<b>Section VII.2</b>	<b>The Carpometacarpal Joint: Thumb Carpometacarpal Arthritis .....</b>	<b>199</b>
Chapter 67	Metacarpal Osteotomy .....	200
Chapter 68	Thumb Carpometacarpal Joint Fusion .....	203
Chapter 69	Ligament Reconstruction with Tendon Interposition .....	206

<b>Section VII.3</b>	<b>The Carpometacarpal Joint: Finger Carpometacarpal Joint Injuries .....</b>	<b>211</b>
Chapter 70	Closed Reduction and Internal Fixation of Reverse Bennett's Fractures .....	212
Chapter 71	Open Reduction and Internal Fixation of Ring and Small Fracture-Dislocations .....	215
<b>Section VII.4</b>	<b>The Carpometacarpal Joint: Finger Carpometacarpal Arthritis .....</b>	<b>217</b>
Chapter 72	Arthrodesis of Ring and Small Carpometacarpal Joints .....	218
<b>Index</b>	.....	221
